

Chateau Asturias

The Owner

Name: Mei Chau

Joined us: July 2005

Mei says: "I contacted the team way back in 2005 (when they were Simply Chateau!) to see if they could help with my bookings. I was based in NYC, I still am in fact, and I was looking for an agency to just take over. The guys initially, and now the team, are incredibly friendly but more importantly make sure I am full up for all my summer dates, each and every year. I was very pleased to welcome Oliver's Travels marketing guru Maria recently to the chateau to stay. I run the busy bistro in Chinatown, Aux Epices, so pop in (!) or I am more than happy to answer any questions you have via email. Delighted to be on board, and my thanks to the team!"

The Property
